**Opioid drugs are  
now being  
restricted  
throughout the  
USA.**

**Arachnoiditis  
patients may not  
depend upon  
enough of a  
supply of opioids  
for pain relief, so  
every patient  
should identify  
some non-opioid  
agents for pain  
relief.**

The Arachnoiditis Education Project is provided by the Tennant Foundation.
